

S&B Automotive Academy is committed to protecting your privacy and promise to collect, process and share your data safely and securely when you submit data to us. Our Privacy Policy tells you how we do this and what your rights are. Any personal data processed in line with our Privacy Policy is controlled by us, as the data controller.

Our Privacy Promise

Transparency – We will always tell you what data we’re collecting about you and how we use it. We only share your data with trusted partners and will never sell your data.

Secure – We are committed to always follow industry best practices to ensure your data is stored safely and securely. We protect the confidentiality, accuracy and availability of the information we collect about you.

Control – We will always give you control over the communication and notification you receive from us. You can choose the types of information you receive and whether you want to stop receiving communications.

Our Privacy Policy

For Apprenticeships and Traineeships

Learner data for Apprenticeships and Traineeships is collected by S&B Automotive Academy in accordance with the terms and conditions of funding contracts imposed by the Education and Skills Funding Agency (ESFA), <https://www.gov.uk/government/organisations/education-and-skills-funding-agency>

How we use your personal data for marketing

We send you marketing communications through a number of different channels. You will receive direct marketing by email, post or phone if you have completed an online application form, completed a contact form on our website and has either consented to receive such marketing during registration, and/or have not asked us to stop sending direct marketing by email to you.

How to opt out of receiving communications and notifications

You can opt out from receiving communications and notifications from us at any time. There are several ways you can do this:

- Email contactus@sandbaa.com and state 'STOP CONTACT'
- Write to us
- Contact us via phone, tel 0117 953 3001
- For apprentice and trainee learners, you can also:
 - contact/speak to your assessor or lecturer (contact details can be found on your Commitment Statement/learning agreement)
 - update your contact details and consent by logging into your account and selecting Privacy and Policies > Data Request

Please note that our systems may take up to 72 hours to update after changing your marketing consent.

How we share your data with third parties

For Apprenticeships and Traineeships

Data collected about you is recorded on an Individualised Learner Record (ILR). The data entered by us is then submitted to and processed by the Education and Skills Funding Agency. The specification and standards for the ILR are published for each academic year (1 August – 31 July) by the ESFA. To review the ESFA Privacy Notice, <https://www.gov.uk/government/publications/esfa-privacy-notice>

We may also share some of your personal details and course information with our delivery subcontractors. Our delivery subcontractors are approved by S&B Automotive Academy and agreed by your employer and such sharing is undertaken using a Service Level Agreement for specified legitimate and restricted purposes. Your learning agreement/commitment statement will identify the delivery subcontractor; where it is not listed S&B will not share your personal details and course information with them.

Data of learners who live within the West of England may also be shared with the West of England Local Authorities who use the data about children and young people to carry out specific functions for which Bristol City Council (the Local Authority S&B AA falls within) are responsible under The Education and Skills act 2008. Such sharing is undertaken using a Data Sharing Agreement. The Privacy Notice for this specific data can be made available upon request.

In some cases, we may also share your personal details with the Police, Local Authority and/or protection services where we have Safeguarding concerns.

Your data may also be shared with European Social Fund (ESF) in line with our ESFA funding contract but you will not be contacted unless you have given consent.

Data may also be shared with other bodies such as Awarding Organisations, Assessment Organisations, Apprenticeship Service and Apprenticeship Certification England to carry out process of funding, training delivery, registration, examination and certification of your chosen course.

For short courses (IMI Accreditation, MOT, IRTEC and CPD training)

Data collected about you is registered on the Awarding Organisation's website. The data entered by us is then submitted to and processed by either the Institute of the Motor Industry and/or the Society of Operations Engineers.

How we protect your personal data

We have put various measures in place to protect your personal data:

- We are independently certified to a number of industry recognised standards which helps us maintain the highest levels of security across our entire business.
- Our online security controls maintain confidentiality at all times, specifically for where we may process secure card payments.
- Our entire site including Moodle is accessed using https rather than http, meaning that all information that is sent and received is encrypted for additional security. You can see this in the address bar of your browser.
- We carry out Privacy Impact Assessments across the entire Academy
- As described in this Privacy Policy, we may in some instances disclose your personal data to third parties. Where we do, we require that third party to have appropriate technical and organisational measures in place to protect your personal data; however in some instances we may be compelled by law to disclose your personal data to a third party, and have limited control over how it is protected by that party.

We will not process your personal data outside the European Economic Area (EEA). However, for data processed by third parties where they are the data controller, your data may be shared outside of the European Economic Area (EEA).

How long we keep your personal data

We will only keep your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

At the end of that retention period, your data will either be deleted or anonymised (so that it can no longer be associated with you) for research or statistical purposes.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances you may be entitled to ask us to delete your data: see 'Your rights' below for further information.

Your rights

You have the right:

- to ask us not to use your personal data for direct marketing. See further information on how to do this please refer to above section **How to opt out of direct marketing**
- to ask us not to process your personal data where it is processed on the basis of legitimate interests, if there are no compelling reasons for that processing;
- to request from us access to personal information held about you (see below);
- to ask for the information we hold about you to be rectified if it is inaccurate or incomplete;
- to ask that we stop any consent-based processing of your personal data after you withdraw that consent;
- to ask, in certain circumstances, to delete the personal data we hold about you;
- to ask, in certain circumstances, for the processing of that information to be restricted; and
- to ask, in certain circumstances, for data portability.
